

REMARKS

The two Notices of Non-Compliant Amendment mailed October 25, 2007 object to Applicants' amendment filed on October 4, 2006 as failing to provide a complete listing of all claims with proper status identifiers; and Applicants' amendment filed on May 30, 2007 for omission of claims 1-4.

The objection to Applicants' May 30, 2007 amendment is not understood. Applicants inform that claims 1-4 were listed on the first page of the May 30, 2007 Amendment. A Notice of Acceptance mailed September 25, 2007 confirmed receipt of Applicants' May 30, 2007 amendment.

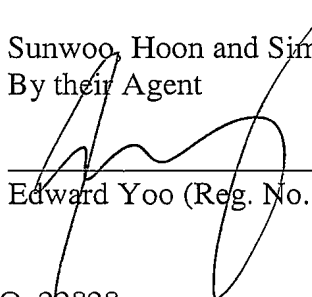

To ensure that a complete and current set of claims is under examination, Applicants resubmit the Amendments to the Claims section herewith. Original claims 1-2, 4, 5 and 7 remain unchanged. Claims 10-11 have been cancelled without prejudice. Applicants reserve the right to pursue any unclaimed subject matter in one or more divisional or continuation applications. No amendment of inventorship is required. Claims 3, 6, 8, 9, 12 and 13 have been amended. No new matter has been added with the amendments made herein. Support for the amended claims is found throughout the application and in the as-filed claims.

CONCLUSION

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance and passage to issuance is respectfully requested.

Respectfully submitted,
